#### INFORMATION SESSION ON HAVING IMPORTANT MEDICAL AND FINAL WISHES DOCUMENTED APRIL 9, 6:30PM, CLUBHOUSE

Everyone over the age of 18 should have their medical care wishes and a healthcare proxy individual documented.

I want to share Florida public forms to individuals who do not have these documents and resource websites.

I am not a lawyer and I am not selling anything.

I know the additional hardship and difficulties loved ones experience when these documents are not in place.

Please contact me if you want any of this information.
