

50. HURRICANE SHUTTERS/STORM PROTECTION.

All residents of Autumn Woods are required to follow the *Hurricane Shutter Guidelines* promulgated for the Autumn Woods Community Association as such guidelines may be amended from time to time with notice in accordance with applicable building code requirements, ARC-M standards and Board of Directors approval. In addition, the Autumn Woods Community Association Board of Directors may grant exceptions to the rules based on established precedents in the Autumn Woods neighborhoods (See H. below, Neighborhood Exceptions). All permanently installed hurricane shutters/protective coverings must be approved in writing by the ARC-M or Neighborhood Board of Directors prior to installation. All previous ARC approvals will be honored.

H. Neighborhood Exceptions: Due to the demographical nature and types of buildings in all three of the Autumn Woods community neighborhoods, the Board of Directors may request exceptions for the type, timing and installation of shutters from the Autumn Woods Community Association Board of Directors.
