The functions and services allowed in this Section to be carried out or offered by the Master Association at any particular time shall be determined by the Board taking into consideration proceeds of assessments and the needs of the Members of the Master Association.

**AMENDED AND RESTATED DECLARATION OF COVENANTS,
CONDITIONS AND RESTRICTIONS FOR AUTUMN WOODS**

The functions and services which the Master Association is authorized to carry out or to provide may be added to or reduced at any time upon the affirmative vote of a majority of the Board; provided, however, the Board may not vote to reduce or abrogate the Master Association's responsibility to maintain Areas of Common Responsibility. The Master Association may provide the permitted services by contract with third parties, including agreements with applicable governmental agencies.

3.4 Pledge of Revenues for Loan. The Board shall have the power and authority to pledge the revenues of the Master Association as security for loans made to the Master Association which loans shall be used by the Master Association in performing its functions.

4. ASSESSMENTS. The provisions of this Section shall govern Assessments payable by all Owners of Lots or Units, for the Common Expenses of the Association not directly attributable to one of the Lots or Units. Such Assessments shall be in an equal amount for each Lot Owner or Unit Owner and are separate and distinct from Assessments due to a particular Neighborhood Association.

4.1 Covenant to Pay Assessments. Each Owner of a Lot or Unit covenants and agrees, and each subsequent Owner of any Lot or Unit (including any purchaser at a judicial sale), by acceptance of a deed thereof, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay the Association:

(A) The Owner's proportionate share of Assessments based on the annual budget adopted by the Board of Directors of the Association;

(B) The Owner's proportionate pro rata share of Special Assessments for capital improvements or other Association expenditures not provided for by annual Assessments;

(C) Any Individual Assessment charges properly levied against individual Owner(s) without participation from other Owners.

4.2 Liability of Payment. Assessments and charges shall be established and collected as provided herein and elsewhere in the Governing Documents. The Owner of each Lot or Unit, regardless of how title was acquired, is liable for all Assessments and charges, together with interest, costs and reasonable attorney's fees, installments and any monetary obligation thereon coming due while he is the Owner. Multiple Owners are jointly and severally liable for all monetary obligations. Whenever title to a Lot or Unit is transferred for any reason, the transferee is jointly and severally liable with the transferor for all unpaid Assessments and all charges, including but not limited to, administrative and attorney's fees, against the transferor, regardless of when incurred, without prejudice to any right the transferee may have to recover from the transferor any amounts paid by the transferee. No Owner may waive or otherwise escape liability for the Assessments and charges provided for herein by waiver or non-use of the Common Areas, by abandonment, or otherwise. Except as provided elsewhere in the Governing Documents, no Owner may be excused from the payment of Assessments unless all Owners are similarly excused. Assessments and other funds collected by or on behalf of the Association become the property of

the Association. No Owner has the right to claim, assign or transfer any interest therein except as an appurtenance to his Lot or Unit. No Owner can withdraw or receive distribution of his prior payments to the common surplus or Association reserves, except as otherwise provided herein or by law. The Board of Directors shall have discretion to compromise, as each situation may require, regarding late charges, interest, attorney fees, and other collection costs, but not as to Assessments. A compromise in one situation will not in any way require a compromise in any other situation.

4.3 Payment Due Date. Assessments shall be payable at such time as the Board of Directors determines. Receipt of any reminder or invoice is not a prerequisite for requirement for payment. The responsibility to timely pay any Individual Assessment or Special Assessment levied by the Association is independent of such receipt.

4.4 Purposes of Assessments. The Assessments levied by the Association shall be used for the purposes of promoting the general welfare of the Owners and residents of the Association, to operate, maintain, repair, improve, construct, and preserve (on a non-profit basis) the Common Areas owned by the Association for the benefit of its members, their guests, tenants and invitees; the Surface Water and Storm Management Systems; the Area of Common Responsibility; Parks; Lakes and Public Areas within the Property; and to perform all other duties and responsibilities by the Association as provided in the Governing Documents. Common Expenses also include the funds necessary to provide reserve accounts for:

- (A) Renovation or major repairs to the Common Areas and Common Properties and/or the installation of entranceway(s) as described herein; and
- (B) For emergency and other repairs required as a result of a storm, hurricane, fire, natural disaster or other casualty loss.

4.5 Share of Assessments, Regular, Special and Individual. Each Owner shall be liable for an equal share of the Regular and Special Assessments levied by the Association for Common Expenses of the Association. Thereafter the actual assessment applicable to Lots or Units within a Neighborhood shall be adjusted for any Neighborhood Assessments applicable exclusively to that Neighborhood. Special Assessments applicable to all Lots or Units shall be established in the same manner; however, Special Assessments applicable to a particular Lot or Unit or Neighborhood for expenses attributable exclusively to such Lot or Unit or Neighborhood shall be determined by dividing the applicable expense by the number of Lots or Units to which it applies. All monetary fines assessed against an Owner pursuant to the Governing Documents, or any expense or charge of the Association attributable to or on behalf of an individual Owner pursuant to the Governing Documents, shall be an individual Assessment and shall become a lien against such Owner's Lot or Unit which may be foreclosed or otherwise collected as provided herein.

4.6 Special Assessments. In addition to the Annual Assessments authorized herein, the Master Association may levy in any fiscal year a Special Assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas and Common Properties, including

fixtures and personal property related thereto; provided, such assessment shall have the affirmative vote or written consent, or combination thereof, at least a simple majority of the votes of each class of Members as evidenced by the results of votes taken by the Neighborhood Associations. The obligation to pay Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

4.7 Lien. The Association has a lien on each Lot or Unit for unpaid past due Association Assessments, and charges, together with interest, late payment penalties, costs and reasonable attorney fees incurred by the Association in enforcing this lien. The lien is perfected by recording a claim of lien in the public records of Collier County and shall relate back to the recording date of the original Declaration of the Association, which claim of lien shall state the description of the property encumbered thereby, the name of the record Owner, the amounts then due and the dates when due. The claim of lien must be signed and acknowledged by an Officer or agent of the Association. The lien shall continue in effect until all sums secured by said lien have been fully paid, and the lien satisfied or discharged. The claim of lien shall secure all unpaid Assessments, fines and charges, interests, late fees, costs and attorney fees which are due and which may accrue or come due after the recording of the claim of lien and before the entry of a final judgment of foreclosure. Upon full payment, the person making payment is entitled to a satisfaction of the lien.

4.8 Foreclosure of Lien. The Association may bring an action in its name to foreclose its lien for unpaid Assessments or charges upon a Lot or Unit by the procedures and in the same manner as is provided in Section 720.3085, Florida Statutes, as amended from time to time. All unpaid Assessments and charges also constitute a personal obligation of the Owners and the Association may, in addition to any other remedy herein provided, bring an action at law against any Owner liable for unpaid monetary obligations, charges or Assessments. If final judgment is obtained, such judgment shall include interest on the Assessments as above provided and reasonable attorneys' fees to be fixed by the Court, together with the costs of the action, and the Association shall be entitled to recover any attorney fees in connection with any appeal of such action.

4.9 Priority of Liens. The Association's lien for unpaid charges, Assessments and all other amounts shall be subordinate and inferior to any recorded institutional first mortgage, unless the Association's claim of lien was recorded before the mortgage was recorded, but shall relate back to the date the original Declaration was recorded in the Public Records and be superior to, and take priority over, any other mortgage, lien or interest recorded after that date. The above subordination shall in no way extinguish the liability of an institutional first mortgagee for any monetary obligations owed to the Association. Any Lease of a Lot or Unit shall be subordinate and inferior to the lien of the Association, regardless of when the Lease was executed.

4.10 Application of Payments; Failure to Pay; Interest. Assessments, charges and installments thereon paid on or before fifteen (15) days after the date due shall not bear interest, but all sums not so paid shall bear interest at the highest rate allowed by law, calculated from the date due until paid. In addition to interest, the Association may also charge an administrative cost and a late payment fee in an amount not to exceed the maximum amount allowed by law. Assessments, charges and installments thereon shall become due, and the Owner shall become liable for said

Assessments or installments, on the date established in the Bylaws or otherwise set by the Board of Directors for payment. Any restrictive endorsement on or accompanying a payment notwithstanding, all payments made to the Association by or on behalf of an Owner shall be applied first to interest, then, to late fees, then to costs (including but not limited to collection charges imposed by the management company, attorney and court) then to attorney fees, then to fines (if allowed by law), then to other charges, and then to the oldest outstanding unpaid Regular, Special or Individual Assessments. No payment by check is deemed received until the check has cleared. The Association shall also have the right to require any Tenant occupying the Lot or Unit during any period in which Assessments for the Lot or Unit are due but have not been paid to the Association to pay the rent to the Association as provided below.

4.11 Acceleration. If any Special Assessment or installment of a regular Assessment as to a Lot or Unit becomes more than thirty (30) days past due, and a claim of lien is recorded, the Association shall have the right to accelerate the due date of the entire unpaid balance of the Lot or Unit's Assessments for that fiscal year. The due date for all accelerated amounts shall be the date the claim of lien was recorded in the public records. The Association's claim of lien shall secure payment of the entire accelerated obligation, together with interest on the entire balance, attorney fees and costs as provided by law; and said claim of lien shall not be satisfied or released until all sums secured by it have been paid. The right to accelerate shall be exercised by sending to the delinquent Owner a notice of the exercise, which notice shall be sent by certified or registered mail to the Owner's last known address, and shall be deemed given upon mailing of the notice.

4.12 Removal of Property. After the Association successfully performs a foreclosure on the property, if the Owner does not remove personal property from the foreclosed premise, such property will be deemed forfeited to the Association and the Association may authorize removal and may sell or donate such forfeited property after ten (10) days written notice by certified mail addressed to the Owner at the last known address or at such address on record as provided to the Association by the Owner. Such remedy shall be in addition to all other remedies available to the Association under applicable laws, Rules and Regulations including the right to compel removal of the property and right to impose any and all fines.

The Capital Improvement Fee shall be due and payable to Autumn Woods Community Association, Inc. by the transferee upon the conveyance of a Lot or Unit or Condominium Unit by a member and collected at closing. The estoppel letter from the Association shall include the Capital Improvement Fee. Funds derived from the Capital Improvement Fee shall be deposited in a specially created Capital Improvement account and shall be used for capital projects only. Payment of the Capital Improvement Fee shall be the legal obligation of the new member and shall be collected at closing by the settlement agent on behalf of the Association and secured by a continuing lien in the same manner as unpaid assessments as provided for elsewhere in this Declaration. For purposes of this Article, the term "conveyance" shall mean the transfer of

record legal title to a Lot or Unit or Unit by deed or other authorized means of conveyance with or without valuable consideration and shall also refer to a transfer of possession and beneficial ownership by means of an agreement for deed.

4.14 The following conveyances shall be exempt from payment of the Capital Improvement Fee: (a) to the owner's estate, surviving spouse or other heirs, resulting from the death of an owner; (b) to a trustee or the owner's current spouse solely for bona fide estate planning or tax reasons; (c) between spouses as a result of a divorce proceeding; (d) to a transferee when the transfer is a gift from the transferor; (e) to a mortgagee or the Association pursuant to a Final Judgment of Foreclosure or Deed in Lieu of Foreclosure; and (f) to a transferee who is, at the time of the transfer, already an owner/member of the Association by reason of his/her/its ownership of another Lot or Unit or Unit within Autumn Woods. Any subsequent transfer that is not exempt shall be subject to the provisions of this Section.

4.15 Mortgage Foreclosure. Unless otherwise provided by law, if the mortgagee of a first mortgage or an institutional mortgage of record acquires title to a Lot or Unit as a result of foreclosure of the mortgage, or as the result of a deed given in lieu of foreclosure, such acquirer or title shall be jointly and severally liable for all past due monetary obligations attributable to the Lot or Unit, or to the former Owner of the Lot or Unit, which came due prior to the mortgagee's acquisition of title or as required by Section 720.3085, Florida Statutes, including, but not limited to, Assessments, charges, interest, late fees, costs (including any administrative or collection costs) and attorneys' fees. Any unpaid share of Common Expenses for which such acquirer is exempt from liability becomes a Common Expense collectible from all Owners, including such acquirer and his successors and assigns. All other persons or entities acquiring title to a Lot or Unit as the result of a foreclosure or other court ordered sale shall be obligated to pay all past due Assessments and monetary obligations due and owing at the time of sale regardless of whether or not the Association has filed a lien. No Owner or acquirer of title to a Lot or Unit by foreclosure, or by a deed in lieu of foreclosure, may be excused from the payment of any Assessments coming due during the period of his ownership.
